

Serving our community is an important part of life for residents in Montgomery County. From Germantown to Silver Spring, Bethesda to Boyds, civic associations, business, schools, and government work together to make our County a wonderful place to work, live, serve, learn, grow, and play.

October 22, 2011 will mark the 25th annual celebration of Montgomery County's Community Service Day. In recognition of this silver anniversary, we are celebrating Community Service Week, October 16-22 and are looking to engage 25,000 volunteers throughout the week! This day is part of a nationwide day of service known as Make A Difference Day. Each year, community members are asked to lead or participate in volunteer projects. Join your neighbors in taking part in this National Day of Doing Good!
